PATRON SAINT OF
THE ENVIRONMENT

A PRAYER TO ST. KATERI

St. Kateri, star of native people
and bright light for all!

We thank God for your heroic
courage, constant perseverance,
and deep love for the Cross.

Help us to encounter our Creator in
the depths of nature and become
witnesses to the beauty of life.

Teach us loving stewardship of the
gifts of creation. Guide us to find
harmony with ourselves, our family
on Earth, and with all of creation.

We pray that your light may
forever shine upon us, giving us
hope in our darkest moments.

Pray for us, that our love for
Christ may deepen always.

In Jesus's name, we pray. Amen.
