

THE COTTAGES

SCENES FROM

LIVES INTERRUPTED

In observance of World Alzheimer's Awareness Day, All Community Theater presents the world premiere of *The Cottages: Scenes from Lives Interrupted*.

Written by Stephen Hauk, the poetic play deals with many forms of memory issues, not only Alzheimer's. It is a true look at life in a memory care home where the residents are treated with compassion and understanding, and the rich stories and humanity that emerge as a result.

The performance will be followed by a discussion between the audience, the cast, and a representative from the Alzheimer's Association. Refreshments and useful resources will be provided as well.
